United Chain & Bar Lubricant

Product Data Sheet

Product Description:

United Chain & Bar Lubricant is a premium lubricant designed especially for the lubrication of bar and chains. formulated with highly refined base stocks and selected additives to assure excellent performance as a chain saw bar and chain lubricant. A tackifier is added to the oil, which promotes good adhesion to moving parts and minimizes oil throw off.

Outstanding Qualities:

1. Reduced wear of bar and chain
2. Reduced throw off
3. Reduces heat build –up
4. Excellent rust and corrosion protection
